Dear Mr. Ufford:

On behalf of the administration, staff, and students of Vermont Law School, I wish to express appreciation for the work completed by Trumbull-Nelson Construction Company on the Center for Legal Services building at 190 Chelsea Street. The school, and its architect/representative David Laurin are extremely pleased and impressed with your company's professional approach in effectively completing such challenging, schedule-driven work while meeting existing time and budget constraints. Trumbull-Nelson's management staff did an excellent job of supervising all project subcontractors, and keeping Vermont Law School administration and staff well-informed throughout the process.

We were quite impressed with Trumbull-Nelson's work and would not hesitate to recommend your company to potential construction customers.

Thank you for the great work your employees completed at Vermont Law School.

Sincerely,

A handwritten signature in cursive script that reads "Geoffrey B. Shields".
