Hanover, N.H. 03755

Dear Larry:

I would like to thank you and your company for your efforts with our drive-up. I have had nothing but compliments from customers and non-customers alike about how the drive-up now makes a positive statement for those entering the Town of Hanover.

It looks terrific, and it certainly meets our needs. All of us here at Ledyard are very pleased. Thank you also for providing the necessary resources to meet the completion deadline. It was a very well managed project and your people on site are to be commended particularly Rob White.

Very truly yours,

Peter C. Brown
